SUBMISSION OF INVENTORS' DECLARATION

Sir:

Applicant filed a Petition under 37 C.F.R. 1.47(a) on July 20, 2004, because one of the three inventors of the subject application refused to sign an inventors' declaration. On December 14, 2010, the Office of Petitions denied Applicant's petition. The undersigned thereafter attempted to locate the non-signing inventor, Ms. Natalie Ann Gagnon, in order to obtain her signature on a declaration or obtain evidence of her continued refusal to sign a declaration.

On December 21, 2010, the undersigned reached Ms. Gagnon by telephone, and she agreed to execute a declaration. A copy of the original application and an inventors' declaration were sent to Ms. Gagnon at the email address she provided, and she signed and returned the declaration. This signed declaration is submitted herewith.

The present application now includes declarations signed by all three inventors and is believed to be in condition for allowance. If additional information is required, the

examiner is invited to contact the undersigned at the below telephone number.
